## Corporate Membership Program

Earth Spirit Educational Services, Inc., founded in 1980, provides diverse environmental education programs to schools, community groups and the general public, reconnecting others to the natural world through ecological awareness, appreciation, and understanding.

The Corporate Membership Program is designed to encourage the participation and support of local corporations in the work of Earth Spirit Educational Services while concurrently providing unique program opportunities for their employees. These experiences are associated with various membership levels and focused upon a variety of workshops designed to promote team building, observation skills, personal health and life-long nature pursuits.

Upon reviewing the following program options, please consider joining Earth Spirit as a Corporate Member and allow us to share some of our unique skills with you and your staff.

Earth Spirit Educational Services is a 501(c)(3) not-for-profit organization.

## Your Membership at Work

We are Naturalists/Ecologists with a mission. Since our founding in 1980, Earth Spirit staff has sought to share our lifelong passion for Nature with others. Our programs have served as a mechanism for reaching out to schools, community groups and the general public instilling in others a sense of connection to the gifts and lessons of Nature. For over 30 years, these programs have enabled us to plant many "seeds" in the hearts and minds of those who have experienced our work. We have guided others gently and directly through Nature's classroom so that they may know how their lives and well-being are interwoven with and inseparable from the natural world. This sense of sharing and guidance has always been our mission and those who have joined our Family through the decades, and those who follow us, will continue this good work... to educate and awaken others to the ways and wonders of Nature.

## Hemlock (\$1000)

(Donation \$600/Service Fee \$400)

### Adventure Hike

Includes a 6 hour field ecology experience at one of our favorite places – Letchworth State Park. Our naturalists will guide you through ancient forests, secluded creeks and the secret places of this beautiful and historic state park. A hearty and healthy outdoor picnic will be included in the experience.

**Maximum Participation:** 25 ♦ **Suggested Seasons:** Spring, Summer and Fall

## White Pine (\$1500)

(Donation \$1275/Service Fee \$225)

### Historic Snowshoe Hike

Experience a 3 hour evening snowshoe trek through pristine forests with an emphasis on snowshoe skills, wildlife studies and seasonal ecology. Along the way, reenact the “community” snowshoe hikes of the past as we rest by warming bonfires to enjoy delicious beverages and Winter stews. Snowshoes provided; either modern or traditional are available.

**Maximum Participation:** 30 ♦ **Suggested Season:** Winter

## Wild Herb Artisan Bread-Making

Enjoy a 3 hour lesson from our own former professional chef/baker focused upon the art of organic and wild herb bread-baking skills. Learn of holistic health and good nutrition while experiencing the most delicious breads you’ve ever tasted. Have fun and eat well.

**Maximum Participation:** 20 ♦ **Suggested Seasons:** Spring, Summer and Fall

**See our website for membership submission & registration:**  
**<http://earthspiritedu.org/corpmember.html>**

## Red Oak (\$2000)

(Donation \$1200/ Service Fee \$800)

### Earth Day Program

Involves a 6 hour series of four different ecology-based programs designed for your employees and their families. Program topics may include live animal demonstrations, ecology hikes, wildlife studies, nature games and other selected outdoor skills themes. Bring a picnic lunch and enjoy a unique day of learning.

**Maximum Participation:** 100 ♦ **Suggested Seasons:** Spring, Summer and Fall

## Sugar Maple (\$2500)

(Donation \$2100/Service Fee \$400)

### Survival Skills Day

Experience 6 hours of survival skills training and group problem solving focused on the areas of priorities, shelter construction, fire building, water gathering, wild foods, medicinal herbs and other related outdoor skills. These lessons are designed to reconnect participants to the bounty of nature and to enhance their comfort with “wild” surroundings.

**Maximum Participation:** 30 ♦ **Suggested Seasons:** All

### Herbal Medicines Seminar

Participate in a 6 hour program of discussions, fieldwork and “lab” experiences focused upon herbal history, philosophy, ecology, identification, collection and preparation. Learn the healing way of herbs and the means of making your own natural medicines.

**Maximum Participation:** 25 ♦ **Suggested Seasons:** Spring, Summer and Fall

## Yellow Birch (\$3000)

(Donation \$2200/Service Fee \$800)

### Wild Foods Workshop & Gourmet Dinner

You’ll enjoy a special 6 hour day that includes an extensive field experience focused on wild food identification, ecology and gathering followed by a candle-lit, four-course wild & organic food dinner. We’ll provide the organic wine and “earthy” decorations. A

truly unique experience!

**Maximum Participation:** 20 ♦ **Suggested Seasons:** Spring and Fall
